**I.D.E.A. Club
Mission Statement**

We will address the intellectual and emotional needs of at-risk students in the middle schools to improve attitude, behavior, and school performance.

I.D.E.A. Club Goals

Goal 1: To provide selected at-risk youth with opportunities for intellectual growth in after school settings.

Goal 2: To provide selected at-risk youth with mentoring by adults and older students for tutorial assistance, emotional support, and role modeling.

Goal 3: To assist selected at-risk youth in appreciating the relationship between the acquisition of basic skills and opportunities in the work world.

Goal 4: To improve constructive parent participation in the learning activities of identified at-risk youth.
