

Martinsville Comprehensive Plan Steering Committee Meeting Notes

Date /Time: Monday, March 9, 2009 @ 6:30 PM

Location: Martinsville City Hall

Attendees: Ross Holloway, Sharyn Kersey, Gary Lester, Jamie Thompson, Pam Badger
EGT: Erin Shane, Cory Whitesell

The committee reviewed the draft plan and had the following comments:

- Coordinate transportation plan list for OCRA - need to include this verbiage in the plan
- Make sure to include an overpass to grand valley (it is on future land use map)
- future SR 39 bypass –add possibility for industrial along RR
- include annexation language to include areas already being served by utilities
- add language for when to update plan – especially if lay of land had changed
- add corridor plan interchanges to the transportation section for the comp plan
-

The committee discussed the possibility of updating the City codes to reflect the comprehensive plan, if the budget allows. It was noted that the next steps for the comprehensive plan and the corridor plan are to present them at a public open house, after which they would proceed to the plan commission and city council for approval.
